Roger

Roger è un sistema di sedute componibili che riesce ad accogliere nella sua semplicità. Essere semplice significa letteralmente “essere piegato una volta sola”. Ed è così che nasce il suo concept: da una superficie continua, quasi ininterrotta, che cambia direzione per avvolgere e assicurare nel suo comfort pieno. La struttura è lievemente arrotondata e invita a essere scoperta su ogni lato, rendendo questo prodotto ideale anche per soluzioni a centro stanza. I rivestimenti sono caratterizzati da un tessuto teso e cuciture che sottolineano la delicatezza e l'importanza delle forme del divano. I set di cuscini schienale conferiscono sostegno e bilanciano la generosa profondità delle sedute, definite da un cuscino intero accolto a incastro sotto al bracciolo. Nella versione Bold, Roger prevede l'aggiunta di un inserto in pelle che arricchisce la parte superiore dei braccioli e dello schienale, donando un aspetto esclusivo e sartoriale.

Roger is a modular seating system that manages to be welcoming in its simplicity. To be simple means literally “to be folded only once.” And that’s precisely how its concept was born: from a continuous, almost uninterrupted surface that changes direction to envelop and reassure with its deep, genuine comfort. The structure is slightly rounded and invites discovery from every side, making this product ideal even for central room solutions. The upholstery features taut fabric and stitching that emphasise the delicacy and importance of the sofa’s forms. The set of backrest cushions provides support and balances the generous depth of the seats, defined by a single cushion that fits snugly beneath the armrest. In the Bold version, Roger includes an additional leather insert that enriches the upper part of the armrests and backrest, bestowing an exclusive and tailored appearance.

Roger Ghost

Roger Ghost è un divano lineare che nasce dal sistema di sedute componibili Roger, con cui condivide il concept originario: accogliere nel suo “essere semplice” - etimologicamente, “essere piegato una sola volta” -, con una superficie continua, quasi ininterrotta, che cambia direzione per avvolgere in modo rassicurante, dentro un’eleganza disegnata da linee essenziali e morbide. La fodera, con una sapiente modellazione delle cuciture, cade libera e amplifica la morbidezza visiva del prodotto, armonizzandosi con cuscini schienale e decorativi realizzati con confezione a saponetta.

Roger Ghost is a linear sofa that evolves from the Roger modular seating system. It shares the original concept of welcoming simplicity - etymologically meaning “to be folded only once.” Its design features a continuous, almost uninterrupted surface that changes direction to create a reassuring embrace, all while maintaining an elegance defined by essential, soft lines. The cover, with its expertly crafted stitching, drapes freely and enhances the visual softness of the piece, harmoniously complementing both the backrest and decorative cushions with their refined pillow-like finish.

Frank

La collezione di tavoli Frank porta in casa l'equilibrio progettuale. Il piano, sottile nell'estetica ma robusto nella consistenza, è sostenuto da tiranti longitudinali in metallo e sorretto da gambe che, dal basso, si slanciano per abbracciarlo alle estremità. Questa giunzione a vista diventa dettaglio iconico della collezione, richiamando il design delle sedie Cosette e del pouf Gino, complementi perfetti per creare un ambiente completo e stilisticamente coerente. Il tavolo Frank ha gambe smussate e longilinee, ed è disponibile in tre formati rettangolari, fino a 3 metri di lunghezza. Con un concetto di design monomaterico, tutti i tavoli Frank sono configurabili completamente in rovere fiammato o in una selezione di finiture laccate.

The Frank table collection brings design equilibrium into the home. The tabletop combines sleek aesthetics with robust substance. It rests on longitudinal metal braces, while elegant legs extend upward to embrace it at each end. This visible junction becomes the iconic detail of the collection, echoing the design of the Cosette chairs and Gino pouffe - perfect complements for creating a complete and stylistically coherent environment. The Frank table features tapered, elongated legs and is available in three rectangular formats, up to 3 metres in length. Following a mono-material design concept, all Frank tables can be configured entirely in flamed oak or in a selection of lacquered finishes.

Frank

Con precisione di linee e solidità materica, i tavoli bassi Frank condividono il disegno fondante dei tavoli da pranzo appartenenti alla stessa collezione. Il piano sottile ma robusto è iconicamente abbracciato alle estremità dalla terminazione di gambe scultoree, che conferiscono un aspetto più monolitico al prodotto. I tavoli bassi Frank sono disponibili in versione quadrata o rettangolare, in rovere fiammato o in tutte le nuance di lacche lucide e opache.

With precision of lines and material solidity, the Frank coffee tables share the foundational design of the dining tables belonging to the same collection. The slender yet robust tabletop is elegantly cradled at each end by sculptural legs, giving the piece a more monolithic appearance. Frank coffee tables are available in square or rectangular versions, in flamed oak or in all shades of glossy and matt lacquers.

Henry

Henry è uno scrittoio a tre gambe, un tavolo visivamente sinuoso, con una sagoma morbida che, nel punto di giuntura tra gambe e piano, richiama il disegno dei tavoli e tavolini Frank. Progettato per essere un punto di appoggio tanto pratico per la casa quanto funzionale in ufficio, la caratteristica curvatura del piano accoglie la seduta e dona alla stanza un tocco di armonia ricercata. Il tutto viene valorizzato ulteriormente dalle possibili finiture laccate lucide o opache - in tutti i colori di collezione -, in grado di rendere accattivante un angolo di lavoro così come raffinata una postazione privata a uso domestico. Come accessorio opzionale, un sottomano in cuoio.

Henry is a three-legged writing desk, a visually sinuous table with a soft silhouette that, at the junction point between legs and top, echoes the design of the Frank tables and coffee tables. Designed to be a practical support for the home as well as functional in the office, the characteristic curvature of the top accommodates the seat and gives the room a touch of refined harmony. The design is further elevated by the range of glossy or matt lacquered finishes available in all collection colours, which can transform a simple work corner into an appealing space or create a sophisticated personal workstation within the home. A leather desk pad is available as an optional accessory.
