Tutti i prodotti del catalogo possono essere richiesti con le tonalità presenti nella scheda colori, il tono esatto dello smalto va però verificato con il campionario colori in ceramica. Nei diversi oggetti la stessa tonalità potrà riportare piccole differenze di intensità del colore, soprattutto legate a forme e volumi differenti o dovute a variazioni minime della temperatura di cottura. Sono queste diverse caratteristiche che rendono unico ogni pezzo.

All the products in the catalogue may be ordered in the hues shown in the colour sheet, though the exact tone of the glaze must be verified against the ceramic colour samples. In different objects, the same hue may show slight differences in the intensity of the colour, caused generally by the different shapes and volumes, or due to minimum variations in firing temperature.
These distinct characteristics contribute to making each piece unique.

I nuovi prodotti possono essere soggetti a modifiche nelle specifiche, dimensioni e finiture a causa di sviluppi produttivi. Tutti i disegni mostrati sono protetti da copyright.
